THIS DOCUMENT HAS BEEN REPRODUCED EXACTLY AS RECEIVED FROM THE PERSON OR ORGANIZATION ORIGINATING IT. POINTS OF VIEW OR OPINIONS STATED DO NOT NECESSARILY REPRESENT OFFICIAL OFFICE OF EDUCATION POSITION OR POLICY.

In the following bibliography no attempt has been made to include all of the books and materials which are available about the American Indian. Time did not permit us to contact all publishing companies. However, most of those contacted did respond and we are grateful for this cooperation and assistance.

Since most standard selection aids do not list many regional materials, it was felt that such a listing would provide administrators and librarians with a source for selections about the American Indian. The purpose of the publication is to stimulate and encourage the purchase of more of these materials for the libraries and classroom collections of our Idaho schools.
